NEW ENGLAND CONFERENCE PURCHASES OFFICE CENTER

Last week, the New England Conference of the United Methodist Church announced the purchase of a new facility located at 411 Merrimack Street in Methuen, MA.

The space will house the bishop's office along with the conference and the Tri-State District offices.

The building measures 22,500 square feet on 1.06 acres of property that includes parking. The purchase price is \$1.2 million.

"As your episcopal leader and brother in Christ, I am so thankful to each and every one of you at the Annual Conference for supporting this project," Bishop Devadhar said. "We are called to be good stewards of our resources, and this move helps us do so. Please pray that we will continue to be guided by the Holy Spirit as we proceed through this process."

In a letter written on behalf of the Trustees to announce the purchase, Board President Bernie Campbell referred to the new building as "a facility more suitable for the mission of ministry of the New England Annual Conference."

"We continue to ask for your prayers for guidance and wisdom as we proceed with this process," Campbell wrote. "Hopefully, by the spring, we will have new and exciting spaces in which to do God's work."

Campbell also expressed gratitude on behalf of the Trustees for the financial support of the United Methodist Foundation of New England.

The Conference will occupy just over 10,000 square feet on the second floor of the former medical office building in Methuen. Negotiations to sell the first floor are under way. Under the current plan, a walk-in basement level will be shared space.

The next step is to renovate the property. Trident Building of Salem, NH, will serve as "Owner's Project Manager." It is hoped that the conference's offices will be ready in late spring 2018.

A purchase and sale agreement has been signed for the current Conference Center at 276 Essex Street in Lawrence, and the buyer is currently doing their due diligence. That process will likely be completed in by the year's end. While awaiting the completion of the new building, conference staff will occupy the fourth and fifth floors at Essex Street.

The Board of Trustees got approval from the 2015 Annual Conference

to seek a new location for the Conference Center. The Lawrence location presents several challenges - including a lack of parking and handicapped accessibility. The Conference first occupied 276 Essex Street in 1996 under a lease/purchase agreement, and purchased the building in 2002 for \$350,000.

PRAYER CONCERNS & CELEBRATIONS

Prayer Concerns on Sunday, October 8

- ☞ Please hold Betsy Sinnigen in prayer. She was operated on in September for a brain tumor recurrence after almost five years after her first diagnosis and surgery. Radiation treatments will follow this fall. Betsy's prognosis is good.
- ☞ The devastation in Dominica persists. Much of the rainforest has been defoliated, subsistence farmers have no goats, chickens or crops. Water and power is available to only approximately 25% of the island. We celebrate that Pastor Dodds and his wife, Carlotta, were able to safely reach their older son's home in Atlanta last Saturday. Please continue to pray for Dominica and its people and for our resolve to support them.
- ☞ Please pray for our military personnel who serve us through service and sacrifice. Pray for military families who also serve and sacrifice. Please pray for war-torn lands. We continue to pray for peace.
- ☞ Please hold John and Carolyn Geroux in your prayers as they deal with the losses and challenges of life.

Prayer Celebrations on Sunday, October 8

- ☞ Margriet Morris celebrated the 76th birthday of a very special person in her life last Sunday! Happy Birthday to Richard and may it be a blessed year!
- ☞ After 556 days away from home due to a devastating fire, Betty Farmer and her son, Dale, moved back to their address in Sudbury a week ago.
- ☞ Aidan Prendergast celebrates last Sunday's outpouring of support for his Eagle Scout project. Thanks to all who had their cars washed. \$800.00 was raised to defray the cost of youth room furnishings.
- ☞ Carol Ford thanks everyone of her SUMC friends for the cards, calls and visits. She's making progress with her back fracture and hopes to be back soon. She misses everyone!

LEARN

The Magnuson Moment

Parent: "What did you learn in Sunday School today?"

Child 1: "Nuttin."

Child 2: "I dunno."

Sound familiar? Do you ever get responses like these? Do you want more information to engage your children with? Consider GroupMe. With GroupMe, you can get a text message with the overall theme, Bible verse, and question to think for dialog with your children (for preschool through Grade 5). Whether it's just clarity of information, or whether you are away for a Sunday and want to stay connected; sign up for GroupMe. All you need to do is furnish your cell phone number with the Director of Christian Education, Eric Magnuson. Your cell phone number will only be used for the purposes of GroupMe texts about Sunday School.

In Sunday School, the children are given the opportunity to participate in a special offering for our two sister churches in Dominica which is being collected each Sunday during the month of October.

Also, there is a special food basket in the downstairs church school classroom where children can bring items to support our local food pantry.

Prayer Pals. The key word for Week 6, Oct. 15-21 is: Endurance, "...let us run with endurance the race that is set before us, fixing our eyes on Jesus..." Hebrews 12:1-2

Do you find yourself restless in church and need to walk around and expel some of that extra energy? Are you the "natural" story-teller at

family events or gatherings with friends? Do you enjoy being creative with crafts? If so, please consider sharing your gifts and passions with the children on Sunday mornings with our Station Rotation. Consider joining our team for a one time session, or on a rotating basis. Please contact Eric Magnuson for more information, eric@sudbury-umc.org or (978) 443-4351 x 207.

Greetings from the SUMC Youth!

Last Sunday night, the youth assembled 60 UMCOR hygiene kits. Hygiene kits provide basic necessities to people who have been forced to leave their homes because of human conflict or natural disaster. Hygiene kits are also used by UMCOR as learning tools in personal hygiene, literacy, nutrition, and cooking classes. So thank you to all the families who provided items and to the youth who assembled the kits.

This Sunday afternoon, we'd like to remind all high school students that they are invited to meet with Zack in the Chapel during coffee hour after worship for Bible study. We'll look back at the morning's scripture passage and talk through any questions or ideas about it. We can also figure out what else to call it, because the only two things that Zack can think of as a name are "High School Bible Study" and "We Have Donuts." By the way, we have donuts.

Quick hits:

- Don't forget that the Chris Tomlin concert is just a week-and-a-half away. You can bring your payment for your ticket (\$47) to youth group on Sunday night.
- Camp Berea is March 2-4. Youth should sign up via a \$25 deposit by October 29.
- Parents, please be sure to check your email for this week's update.

Devastation in Dominica

Can you fathom living 21 DAYS without enough food and water?

Without a roof over your head, and no power or fuel? This is the reality for most people in Dominica, 21 days after this island was brutalized by the hurricane.

UNICEF estimates that 20,000 children in Dominica are in need of immediate assistance.

Information indicates all livestock in Dominica was destroyed in the hurricane. This is devastating for an island where most residents survive on subsistence farming - they eat what they grow and raise. Hard to do when your chicken and goats have been wiped out.

Our brothers and sisters in Dominica are suffering and need our help.

We thank those of you who have so generously contributed to SUMC's short-term fundraiser. This preliminary effort to help will conclude on October 15. Donations can be made via this link: <http://sudbury-umc.org/give>. On the right side of the page, under Give On-line, use the pull down menu, and select "Dominica Hurricane Relief," or, write a check to Sudbury UMC with "Dominica Hurricane Relief" in the memo line and send to the church at 251 Old Sudbury Road, Sudbury, MA 01776. Please continue to hold our brothers and sisters in Dominica in prayer. And, stay tuned for phase two of SUMC's effort to help. But before you move on...

Can you spare 8 minutes?

If so, watch this video...[A Day in Dominica.](#)

Latest Update:

Pastor Dodds and his wife Carlotta were transported via helicopter from Wesley to Martinique, and eventually flew to Atlanta, where they're staying with one of their sons. We expect to hear more from them in the next day or two.

Computer Needed!

Do you have a computer that has outlived its usefulness to you but might serve as an audio workstation for SUMC? The laptop that has recorded services for several years has developed a fatal problem and needs replacing. Most computers made within the last 5 to 7 years might be able to do the job. If you believe you have such a machine that needs a new home, speak to Kevin (his contact information is at the end of this Chronicle). Many thanks!

A-Capella Group Now Forming!

Are you a fan of a cappella? Some of you may be familiar with the lively tradition of informal singing that has been especially successful in the high school and university scene in the last decade. Well, the musicians of SUMC would like to attempt their own version of a cappella.

Starting Wednesday, 18 October from 6:30pm till 7:30pm and for the next three Wednesdays (25 Oct, 1 Nov, 8 Nov) we will meet for an hour to learn a modest list of a cappella items with a sacred twist. A cappella groups typically work without printed music, so you do not need to read music to participate. You also don't have to have a vocal degree from the conservatory to add your voice. We **do** have a keen interest in making a musical opportunity for SUMC members who have never joined in a SUMC music project. We know your time is precious, so let us combine your evening meal with music by including a "simple supper" after the manner of Advent and Lenten suppers. We will also arrange for child care, young parents, if you want to attend but are not quite sure what to do with small people. (Been there.)

Our only request is that you SIGN UP. It is extremely helpful to know who will attend so our planning can be good quality. Here's the link:

http://sudbury-umc.org/sumc_v1/music/a_cappella/

This will take you to a Google doc where you can tell us what works for you. Of course, you are also quite welcome to call or email me [Kevin](#) and/or [Rob](#).

Check your calendar, keep singing in the shower, and let Kevin or Rob know if this is a project for you! Don't be afraid to jump in... this might be just the mid-week spiritual break you need! kevin@sudbury-umc.org.

[Join the Thursday Bible Study](#)

Sudbury UMC's Thursday Bible study group always welcomes new participants. Meetings take place at 10:30 a.m. on Thursdays at the Panera Bread located at 21 Andrew Avenue in Wayland's Town Center, just two miles from Sudbury UMC!

Each week's focus text is the next Sunday's preaching passage. Remember to bring your Bible and a few bucks for something warm or cool to sip.

We will look ahead to the passages being preached during worship on:

October 15	Matthew 22:1-14
October 22	John 8:31-36
October 29	Matthew 5:1-12
November 5	1 John 3:1-7
November 12	Matthew 25:1-3

Stephen Ministry - No Concern Is Too Small

Who can benefit from a Stephen Minister? A Stephen Ministry relationship or conversation is appropriate for most anyone who needs caring support as they struggle with life's changes. Sudbury UMC Stephen Ministers have received 50 hours of Christian care giving.

At Sudbury UMC, you have two opportunities to benefit from the listening, non-judgmental presence of a Stephen Minister. Every Sunday morning, a Stephen Minister is available after the worship service. Or if you would like to meet with a Stephen Minister on a regular basis (weekly, twice a month, or monthly), please speak with Pastor Joel. If you know a friend who could benefit from a Stephen Minister, you can also speak to Pastor Joel.

[MetroWest Free Medical Program Seeking Volunteers](#)

On Tuesdays, about 20 volunteers gather to provide healthcare services to people who don't have insurance. The program serves an average of 35 patients, using the sanctuary at Congregation Beth El as the clinic site.

Volunteers are needed to help put the medical supplies and equipment away in the shed behind Beth El. Specifically, people are needed to help move the screens, exam tables, buckets of medical supplies, as well as tables and chairs. With enough volunteers, this can be done in 30 minutes.

This is a great job for high school students looking to finish up their community service hours or anyone who wants to get an extra 30 minutes of exercise! When? Tuesdays, 9:00 p.m. to 9:30 p.m. Questions? Contact Kim Prendergast at kim.prendergast@gmail.com.

Sudbury Clergy Association Joins the Framingham Solidarity Network for Concert

The following is a letter from Debbie Clark, Pastor of Edwards Church in Framingham.

"Our neighbors are living in fear. What we have read in the newspaper is happening right here. Immigrants who live and work in Metro West, contributing to our community, are being stopped, detained and sometimes deported. Families are being torn apart, sometimes left

without a primary bread-winner.

In response, a coalition of faith communities, human service and justice seeking groups has formed the Framingham Solidarity Network. We are working to connect lawyers with individuals in need. Recognizing that the presence of concerned citizens makes a difference, we are organizing people to accompany immigrant neighbors for meetings and court dates.

We are also creating a fund to support immigrant neighbors who find themselves in a crisis. This "Neighbors Fund" will be used for three primary purposes:

- To post bond for individuals who have been detained;
- To help pay for lawyers and/or translators;
- To support family members when a bread-winner has been detained.

The fund will be managed by the comptroller of Metrowest Worker Center (CSAS). Requests will need to be approved by at least three members of a six-person review team. The team will include two members of CASA and four local faith community leaders, two of whom will be serving predominantly immigrant congregations.

We are writing to ask your assistance in building up this fund in two ways:

- On Sunday, November 5, from 4-6 pm at Greater Framingham Community Church we will hold a Multi-Cultural, Multi-Faith Fundraising Concert. Your "sponsorship" of this event is encouraged.
- Also, if you feel called to do so, please consider making an initial donation from your faith community,

Checks can be made payable to "Neighbors Fund" and sent to: Rev. Debbie Clark, Edwards Church, 39 Edwards Street, Framingham, MA 01701, attention Neighbors Fund. If you have any questions, please contact Rev. Debbie Clark at pastor@edwardschurch.org or 508-877-2050.

Thank you for your consideration of this sponsorship.
